### **Excerpts from a Letter by St. Margaret Mary**

You could find no surer bond, beloved Sister, to draw me into a more intimate union with your charity than to love the Sacred Heart of Our Lord Jesus Christ. I do not doubt that the sacrifice which you want to make of yourself to Him so that you may be wholly His, to do and suffer everything for His love, so that you may be able to live completely unto Him according to His desires- I do not doubt, I say, that this sacrifice is very pleasing to Him. It is a life of sacrifice, of abandonment, and of love; of sacrifice of all is most dear to you and of what will cost you the most; of complete abandonment of yourself to His loving care, taking Him as your guide on the way of salvation. You will do nothing unless you ask Him for the help of His grace. And this I am sure He will give you to the measure in which you trust Him. Moreover, we must live the life of love. By our humble submission and complete self-effacement it will unite us with

Him and make us altogether like Him in His life of sacrifice, abandonment, and love in the Blessed Sacrament. Love keeps Him there as a victim completely and perpetually for our salvation. Unite yourself with Him, then, in all that you do. Refer everything to His glory. Set up your abode in this loving Heart of Jesus and you will there find all the good desires He inspires in you, and to avoid every deliberate fault.

Place in this Heart all your sufferings and difficulties. Everything that comes from the Sacred Heart is sweet. He changes everything into love. Let us love Him, then dear Sister, with all our might and strength.

Let us belong to Him without reserve, because He wants all or nothing. And after we have once given Him everything, let us take nothing back. He will be sure to sanctify us in proportion as we are careful to glorify Him. It is for love of Him, beloved Sister, that I beg you to pardon this proud and wicked sinner the liberty your humility has asked her to take, in your letter to our dear Sister Cordier. That is why I

have said quite frankly what I think. I have said it simply, too, asking this adorable Heart of Jesus to consume you in His pure love and to grant you my complete conversion. I beg you with all my heart to ask this of him. I.N.N., give and consecrate to the Sacred Heart of Our Lord Jesus Christ my person and my life, my actions, trials and sufferings, so that I may no longer wish to make use of any part of my being except to honor, love, and glorify Him. This is my irrevocable will, to belong entirely to Him and to do everything for His love, and I renounce with all my heart anything that can be displeasing to Him. I take Thee, then, O Sacred Heart, as the sole object of my love, the protector of my life, the pledge of my salvation, the remedy of my infirmities, the reparation for all the sins of my life and my sure refuge at the hour of my death. Be, then, O Heart of Goodness, my justification with God the Father, and turn aside the blows of His just wrath. O Heart of Love, I place all my confidence in Thee. I fear everything from my malice but hope everything from Thy Mercy. May Thy pure love impress Thyself so deeply in my heart that I can never forget Thee, nor ever be separated from Thee. I beg Thee by Thy boundless goodness to write my name in Thy Sacred Heart, for I wish to live and die as Thy slave. Amen.
