### **The Catholic Teaching on Indulgences**

All the sins we have committed, and which have been forgiven, must be sufficiently expiated, either in this life or in Purgatory. An indulgence is the remission granted by the Church of the temporal punishment due to sins already forgiven. It stems from the power given by Our Lord to St. Peter, the first Pope, and to all his successors: "And I will give thee the keys of the kingdom of heaven; and whatever thou shalt bind on earth shall be bound in heaven, and whatever thou shalt loose on earth shall loose on earth shall be loosed in heaven" (Matthew 16:19). A *plenary* indulgence is the remission of ALL the temporal punishment due to our sins. A partial indulgence is the remission of PART of the temporal punishment due to our sins. By means of indulgences, the Church applies to us from her spiritual treasury part of the infinite satisfaction of Jesus Christ and of the superabundant satisfaction of the Blessed Virgin Mary and of the saints. To gain an indulgence for ourselves we must: 1.) be in the state of grace 2.) have at least a general intention of gaining the indulgence 3.) perform the works required by the Church (in the case of prayers, be sure to move your lips; ordinarily, a purely internal prayer will not gain the indulgence). We cannot gain indulgences for other living persons, but we can gain them for the souls in Purgatory, since the Church makes most indulgences applicable to them.
