A Prayer for Mothers

By Edward, Bishop of Nottingham

Mary Mother, bless and protect the mother whom thou hast given me to help me to become thy true child and spouse of thy Son and my Lord Jesus. Sweet Mother, animate her entirely with thy spirit.

May the Holy Spirit of love ever reign in her heart, to direct and counsel her in all her actions. May she never be influenced by any motive but the pure love of God and the good of souls. May she in all occurrences turn for light from the Holy Ghost. May that Holy Spirit guide her in all her ways, so that no spirit of worldliness or self may never creep into her least actions or directions. Sweet

Mother of my heart and soul and whole being, make known ever thy holy will to me through her; make me a simple, loving, and obedient child; permit not the enemy of all good to ever tempt me to disobey or distrust the one appointed me by God to love, honor and obey as my own mother. May the holy saints intercede for her. By the side of

Mary, my mother and yours, holy saints I look up to you, and lovingly honor you, offering the Heart of Jesus in thanksgiving for your graces. By the side, in the arms of Mary your Queen, I honor you, Holy Angels, through the Precious Blood furnished by Mary's Heart's Blood, the life of Jesus, my Lord and your King. Father, Son and Holy Ghost, bless her now for whom I pray, together with the child who so loves and tries with all her heart to please You now and forever. Amen.
